

# Boils

It is often difficult to convince people their blood is impure, until dreadful carbuncles, abscesses, boils, scrofula or salt rheum, are painful proof of the fact. It is wisdom now, or when there is any indication of

blood, to take Hood's Sarsaparilla, and prevent such eruptions and sufferings. It had a dreadful carbuncle abscess, red, fiery, sore and sore. The doctor attended me over seven weeks. When the abscess broke, the pain was terrible, and I thought I should not live through it. I heard and read so much about Hood's Sarsaparilla, that I decided to take it, and my husband, who was suffering with boils, took it also. It soon purified our

built me up and restored my health so that, although the doctor said I would not be able to work hard, I have since done the work for 20 people. Hood's Sarsaparilla cured my husband of the boils, and we regard it a wonderful medicine. MRS. ANNA PETERSON, Latimer, Kansas.

The Portland Court.

PORTLAND, June 12.—The official canvass of the vote of Multnomah county was completed this afternoon. Following is the vote on supreme judge: Bean 9,221, Bennett 2,972, Gaston 4,383; congressmen, Ellis 4,394, Quinn 5,083, Northrup 5,957, Bennett 1,297, McKercher 431.

Simon elects three out of four senators and five out of nine representatives. The closest vote was on recorder. Macdonald, on the Simon Republican ticket, has a plurality of thirty-nine. There is talk of a recount.

A NICE SUM.—Supt. T. W. Potter of the Chemawa Indian school, has received notice that he was authorized to expend \$3000 in purchase of building materials in the open market to be used on improvements to be made next year at the schools. If the order had not been telegraphed him this money would have lapsed into the United States treasury. It is due to the influence of Supt. Potter and Supervisor Heinemann, that this sum was secured to be expended here. These gentlemen are wide-awake in the interest of the school, and in bringing this money back, to be spent in Oregon, they have placed the people under some obligation these hard times.

Today's Senate.

WASHINGTON, June 10.—The senate began closing the day session with confusion and activity usual, to the close of the convention to congress.

To Be Released.

PHOTOGRAPH, June 11.—A special meeting of the executive council today decided to release John Hays Hammond, Colonel Rhodes, George Farrar and J. W. Leonard, leaders of the Johannesburg reform committee, upon payment of a fine of \$25,000 each, or in default, 15 years banishment.

LATER. WASHINGTON, June 11.—United States vice-consul Knight, at Cape Town, South Africa, cabled the state department today as follows: "Reform leaders released. Fined \$25,000. No banishment." This closes the Johannesburg incident.

FUTURE EVENTS.

June 16—Republican national convention, St. Louis.

June 16—Annual reunion of Oregon pioneers, Portland.

July 7—Democratic national convention, Chicago.

July 22—National Populist convention, St. Louis.

Condensed Testimony.

Chas. B. Hood, Broker and Manufacturer's Agent, Columbus, Ohio, certifies that Dr. King's New Discovery has no equal as a cough remedy. J. D. Brown, Prop. of St. James Hotel, Fr. Wayne, Ind., testifies that he was cured of a cough of two years standing, caused by La Grippe, by Dr. King's New Discovery. J. F. Merrill, Baltimore, Mass., says that he has used and recommended it and never knew it to fail and would rather have it than any doctor, because it always cures. Mr. Hemming, 222 E. 25th St., Chicago, always keeps it at hand and has no fear of Croup, because it instantly relieves. Free Trial Bottles at Fred A. Legg's Drug Store.

Notice to Statesman Subscribers.

Since the managers of that paper are adopting the policy they are, to intimidate my patrons, I take this means of informing them that I own the route in Salem and its suburbs and that it does not change your liability to me on subscriptions to ask me to stop the paper then to order it by carrier from some one else.

I own the route and propose to stay by my property, which I bought and paid for with the full knowledge and acquiescence of said company, and see if the laws of this state will permit of those managers taking from me that property without compensation as they are now trying to do by intimidation. From the very fact that one of these managers seeks to avoid being connected with the matter in the public mind and that said party now holds a public trust involving the care and tutorage of some of the future men of this state goes to show that the Statesman Publishing Company do not feel that they can wash their hands of his attempted robbery. J. W. MCKINNEY.

Eugene Guard: George Fisher shipped a car load of beef cattle to Turner on last evening's freight. The cattle are for the State Insane asylum. Mr. Fisher accompanied them, going to Salem and returning today.

As a young girl's life there comes a time when the careless innocence of childhood changes to the modest, blushing maidenly self-consciousness of approaching maturity. The eye is brighter; the form is rounder; there is a touch of shy coquetry in the glance;—the girl has become a woman. She has entered that critical period so full of happy possibilities, yet so hedged about with the physical sufferings and dangers peculiar to her sex. It has been said that to be a woman is to suffer. Too often this is true. A woman's whole nature is so bound up in the special functions of her system that any disturbance of this sensitive organism throws the whole system out of harmony. "Female weakness" causes nine-tenths of all the wretchedness which women endure. It can never be permanently relieved by "local treatments." That is generally an expensive, embarrassing, useless, make-shift. What is needed is Dr. Pierce's Favorite Prescription to reach the innermost sources of the trouble and restore health and strength directly to the internal organs. This stops the weak, draining which sap life's foundation; heals all ulcerated conditions, gives the ligaments elastic power of themselves to correct misplacement of internal organs and imparts tone, vigor and vitality to the entire feminine system. "Favorite Prescription" makes healthy, happy women.

Dr. Pierce is the Chief Consulting Physician of the Invalids' Hotel and Surgical Institute, Little Rock, Ark. He has made a life-study of women's peculiar ailments. Over ninety pages of his great work, "The People's Common Sense Medical Adviser," are devoted to the consideration of diseases peculiar to women. Successful means of home-treatment are therein suggested, making it unnecessary to employ a physician, or to submit to his "examinations" and the "stomach pump," but generally useless, "local treatment." Every one (at) once stamp, to cover cost of mailing only, will bring a copy of this useful book. Address: World's Dispensary Medical Association, Buffalo, N. Y.

Our Great Features

THE JOURNAL is pre-eminently a paper for the people, in news, politics and editorial opinions.

Farm Department

THE JOURNAL does not pretend to be an agricultural paper, but keeps up a well-edited farm department, by a competent farmer, who knows the needs of the Oregon farmer. It also contains correct market reports.

Woman's Department

A large volume of social news and good home matter of interest to the feminine part of the family is one of the attractive features of THE JOURNAL, the only newspaper in Oregon employing a lady editor.

Youth's Department

This feature is one of great value to a family with boys and girls. THE JOURNAL will not publish wishy-washy stuff in this department, but good, bracing matter, of an entertaining and educating character.

A Modern Newspaper

THE JOURNAL is the first and only paper in Oregon to meet the hard times by reducing the price and sending out only what papers are paid for in advance, and runs no bills. All papers are stopped when the time expires. This is important, and you should take the benefit of it, instead of paying out more money for poorer papers. Subscribe now, and interest your friends in THE JOURNAL, if they are not already taking it.
